AKULA PAVAN SRI SAI

✉ pavansrisai2614@gmail.com 📞 6302244775 in www.linkedin.com/in/akula-pavansrisai/

EDUCATION

B.Tech in Computer Science Engineering,   2019 – 2023
Vishnu Institute of Technology
    CGPA: 8.38/10

Intermediate,   2017 – 2019
Aditya Junior College
    CGPA:9.73/10

EXPERIENCE

PL SQL Intern at Virtusa ⬈
- Created an efficient airline reservation database, ensuring swift access to flight information for passengers and streamlined reservation management for staff.
- Developed complex SQL queries for data retrieval, enabling informed decision-making and improved reporting.

SKILLS

Python	React js	HTML,CSS and JS	Node js	Express js	Data Structures

PL SQL	GIT

PROJECTS

Collaborative Text Editor ⬈
- Developed a real-time collaborative text editing website using React for the frontend and Socket.io for bi-directional communication.
- Integrated rich text editing features through libraries like Quill.js, enhancing user experience and document formatting.
- Utilized Socket.io to establish real-time communication channels between users and the server.

Random Meme Generator ⬈
- Built an interactive meme generator website using React that dynamically fetches meme images from an API source.
- Developed a user-friendly interface enabling users to add custom text to the fetched meme images.
- Utilized React's state management to allow real-time text input and instant preview of meme variations.

CERTIFICATES

- Certification from HackerRank in Python ⬈
- Certification from Scrimba in React
- Programming Essentials using Python from Coursera ⬈
- Certification from HackerRank in Problem Solving ⬈
- Certification from HackerRank in SQL ⬈
- Machine Learning with Python ⬈
